April 2022

Thank YOU, Volunteers!

April is International Volunteer Month and we truly have THE BEST volunteers! CFF relies on a network of 10,000+ individuals, companies, groups, and families to provide food + friendship to our neighbors in need. **THANK YOU** for your service! During volunteer week (April 18-22), we'll have special gifts and lunches -- register for a shift so we can thank you in person.

VOLUNTEER SPOTLIGHT

In August 2020, Noel's wife saw a post on a local town watch site seeking volunteers. During the pandemic Noel didn't participate in his usual community-building activities, so she signed him up.

"And that's how my journey with Caring for Friends started."

Caring for Friends makes 500,000 meals a year. Inflation is squeezing its donors

Meat and produce are rising at four times their historic rate. Even trays for food have jumped in price. And in the times, some warehouse space is costing more than offices.

INFLATION IN THE NEWS

We've all seen higher costs at the pump, the grocery store, and on our bills. Our clients are facing it, too, as are new folks seeking our services. Help us provide food to everyone in need by donating to offset food and fuel costs.
